

New Parent Guide to Firefly

Firefly is the Wimbledon High portal for girls, parents and staff. This guide aims to help new parents set up their Firefly logon for Wimbledon High for the first time and show some of the features and communications you will receive.

Please note that you will not be able to create your Firefly logon until your daughter has been formally enrolled in the school on her first day – so Firefly will be available to you from the second day of the school year.

Part 1: Logging in to Firefly for the first time

Using the Firefly Parent Portal, you will be able to see up-to-date information about your child (or children) and also be kept informed of relevant school information

1. Go to parent portal address

In your browser (on any device, PC, Mac, iPhone, iPad, Android etc), go to the parent portal address: <https://whs.fireflycloud.net>

2. Choose 'Activate your account' link

You will only need to do this the first time that you log in.

The screenshot shows the Wimbledon High School Firefly Parent Portal login interface. At the top is the Wimbledon High School logo. Below it is a dark green header bar with the text 'Wimbledon High School'. The main content area is divided into two columns. The left column is for 'Parents' and contains a login form with fields for 'E-mail address or username' and 'Password', a 'Log in' button, and a link for 'Forgotten your password?'. Below the link is a green box with the text 'Logging in for the first time? Activate your account.' The right column is titled 'Or log in with' and contains two options: 'Governors (Site Login)' and 'Staff and Students'. At the bottom right of the page is the Firefly logo.

3. Enter your email address

On the next screen, enter the email address that the school already holds on record for you, and click 'Activate account'. This will be the email address that you received these Firefly instructions on.

Your daughter's profile is only visible to you, your daughter and members of the school staff.

Here you will find

Key information – your daughter's classes and teachers.

Attendance data – click 'see more' for more details.

Behaviour data – click 'see more' for more details.

The screenshot shows a web interface for a student profile. At the top is a navigation bar with links: Dashboard, Resources, Planner, Tasks, Markbook, and Insights. Below this is a header section with the title 'Profile:' followed by a redacted name. A light blue box contains a message about controlling profile visibility. The main content area is divided into sections: 'Key Facts' with a redacted box for Teachers, Parent, and Groups; 'Attendance' with a summary bar showing 88.2% Present, 0% Late, 11.4% Absent (Authorized), and 0% Absent (Unauthorized); 'Behaviour' with a summary bar and a table of achievements. The achievements table has two rows: the first row includes 'CLASSWORK EFFORT' (2), 'HOMEWORK EFFORT' (7), 'GREAT CONTRIBUTION IN CLASS' (8), and 'EXCELLENT ACHIEVEMENT' (5); the second row includes 'MODEL BEHAVIOUR (ARCHIVED)' (3) and 'GROW POINT' (1). Below the achievements table are sections for 'This week' and 'Last week', both showing 'No behaviour events this week'. A 'More Information' sidebar on the right lists 'Personal pages' and 'Manage Documents'. At the bottom of the profile section are buttons for 'Set Task', 'Send Message', and 'View Site As'.
