**Year 7 Sport – September 2024**

Dear Parents,

Sport is in full swing here at Wimbledon High and students have been enjoying many opportunities in Athletics, Cricket, Rowing and Tennis. We've recently enjoyed a successful Sports Day during which the girls competed with gusto for their Houses.

We are looking forward to welcoming you and your daughters into our community, and as such this letter will hopefully provide you with some information to support your planning for August and September.

**Fixtures & SOCS**

The management of our fixtures programme is hosted by a system called SOCS. On this you, and your daughter can find the most up to date list of fixtures for 2024-25. You'll be aware I'm sure, that sport and the fixtures programme is dynamic, however the main fixtures night for Year 7 is a **Tuesday**, and of course we have a busy **Saturday** morning programme as well. You will have full access to SOCS Sport and Co-curricular from September onwards, and to prepare you, at the bottom of this letter are instructions of how to access SOCS fixtures when the time comes. Please note that the age group that refers to your daughter being in Year 7, is U12.

**Pre-season**

To be prepared for the season ahead, we welcome the students to pre-season training. The full programme is shown at the bottom of this letter. There is one caveat to pre-season to be aware of, in that the astro-turf and courts are being re-laid over the summer holiday, which is fantastic news. However, if we experience particularly bad weather over this period (that would never happen!), the refit maybe delayed and as such pre-season Hockey & Netball would not take place. If this is looking likely, we will email as soon as we know.

If you would like your daughter to take part in this, please complete the form here: [Form](#)

Please see additional information attached about our paid Tennis provision. All other co-curricular sports activities and the timetable will be available from September.

**Mouthguards**

If your daughter requires a mouthguard (please note that these are mandatory for any participation in Hockey regardless of age group and therefore compulsory for Year 7 & 8) we work with Titan

Mouthguards who will offer a home impression kit, if you order through them. There is no obligation to order from Titan any other company will also be fine but please, if you opt to get your daughter a 'boil in the bag' one instead, please ensure that it carries correct EU certification. Here is the link from Titan for their mouthguards <https://titanmouthguards.com/wimbledon-high-school-2024-titan-e-fittings/>

**Earrings:**

For safe practice, whilst participating in all school sport, we have a zero-tolerance policy on wearing jewellery. Please can I recommend that ears are pierced now so that earrings can be removed by September, as we will not be able to accept any taping of jewellery, including earrings.

Finally, the **Sports Department Welcome Evening** is taking place on **Monday 9 September at 6pm**, where we will be hosting an online TEAMS talk to parents. This evening is an opportunity to meet the PE team and ask any questions you may have. Please look out for a link, on SchoolPost or the senior diary, to join the call and meet the team.

We are looking forward to working with and supporting your daughters through their sporting journey at WHS, please do not hesitate to get in contact if you have further questions. In the meantime, colleagues from the PE team and I will see you at the welcome event tomorrow evening.

## More detailed team information (phone)

From your smart phone you can favourite your daughter's team and download all fixtures to your phone's calendar.

## Paper-free Teamsheets

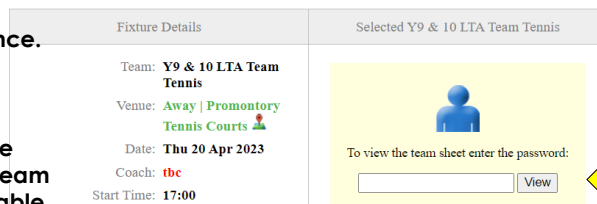

All fixtures for next season are being uploaded shortly – please plan accordingly but know that there could be alterations.

Teamsheets go online approximately 5 days in advance.

We encourage pupils if they are made captain to remind their team and check if everyone is available.
