

**Welcome to A-level Biology September 2024**

Congratulations, you have made the right choice to study the BEST subject at A-level. To enable you to have a great start in September, we would like you to complete some preparatory work over the summer for this course:

1. Please work your way through the CGP – Head Start to A-level Biology Book
  - a. Answer all questions
  - b. In your 1<sup>st</sup> lesson in September
    - i. Hand in your answers (typed or handwritten)
    - ii. Hand in the booklets
2. Write a review for a book or a book chapter (related to Biology) that you have read.  
summer.
  - a. these will be collected/collated and shared in September – details at that time.

In the meantime, have a lovely summer and please do get in contact if you have any queries.

Kind regards

Dr Silke Neumann  
Head of Biology
