

Dear Parents

Tennis – Autumn Term 2025

All WHS girls are welcome to enrol for our Autumn Term Tennis Coaching. The schedule for tennis coaching and the links to apply for courses are in the table below. LTA qualified coaches run all tennis coaching sessions. For more information about our coaches and coaching programme, please see our “2025 Wimbledon High Tennis Programme” attachment.

The LTA Clubspark system takes all bookings and places are allocated places on a first come first served basis. Parents of girls U16 will need to register with the LTA, the first time they use the system, and they can then use their LTA login to book their daughter onto any course. We selected this booking system because the LTA is the governing body of tennis and multiple Clubs use the system for courses and tournament entries etc. The system should guide you through the booking process, but if you experience any difficulty, please contact: tennis@wim.gdst.net. If your daughter’s chosen course is full, please add her name to the waiting list so that we can contact you if a place becomes available or we can book an additional court and coach.

Term Dates:

Monday 8 September – Saturday 6 December, Half term: Monday 20 October to Saturday 1 November

Note: Course fees are per term, and we have a no refund, no replacement policy for unattended courses. We try to have 2 coaches working on every group, when numbers allow, so we can standardise within the session. Tennis coaching is not year group restricted but Ms Coutts-Wood has suggested midweek days when year groups 7 to 9 will have fewer clashes with other activities as a guide.

Groups always take priority but once the groups have been finalised, we sometimes have a limited no of sessions available to book for shared sessions. Please register your interest for these by emailing tennis@wim.gdst.net and we will contact you if we have any availability. We are continually working to develop the tennis programme at Wimbledon High and we welcome feedback. If you would like to discuss any aspect of the tennis programme, please email tennis@wim.gdst.net

Kind regards,

Ms Coutts-Wood
