

Dear Parents

Tennis – Autumn Term 2026

All WHS girls are welcome to enrol to our Autumn Term Tennis Coaching. The schedule for tennis coaching and the links to apply for courses are in the table below. All coaching sessions are run by LTA qualified coaches. For more information about our coaches and coaching programme, please see our “Wimbledon High Tennis Programme” attachment.

The LTA ClubSpark system takes all bookings and places are allocated places on a first come first served basis. Parents of girls U16 will need to register with the LTA, the first time they use the system, and they can then use their LTA login to book their daughter onto any course. We selected this booking system because the LTA is the governing body of tennis; multiple clubs use the system for courses and tournament entries etc. The system should guide you through the booking process, but if you experience any difficulty, please contact: tennis@wim.gdst.net. If your daughter’s chosen course is full, please add her name to the waiting list so that we can contact you if a place becomes available or we can book an additional court and coach.

Term Dates:

Monday 7 September to Thursday 10 December (excluding h/t: Monday 19 October to Saturday 31 October)

Note: (1) Course fees are per term, and we have a no refund, no replacement policy for unattended courses. (2) Tennis coaching is not year group restricted but Ms Coutts-Wood has suggested midweek days when year groups 7 to 9 will have fewer clashes with other activities as a guide. However, should your daughter have a clash post booking, please email tennis@wim.gdst.net and we will endeavour to transfer the booking to another session.
